WORLD PUNJABI DIASPORA

November 21-22, 2024

Theme of the Conference:

**Role of Punjabi Diaspora
in the Development of Science,
Technology and Society**

About DAV University

DAV University stands as a pioneer in contemporary education in India, emphasizing 21st-century skills crucial for success in today's competitive landscape. The campus, marked by modern infrastructure and verdant spaces, serves as an inspiring backdrop for academic pursuits, cooperative experiences, and extracurricular activities. Our curriculum spans Engineering, Business Studies, Basic & Applied Sciences, Agricultural Sciences, Pharmaceutical Sciences, Legal Studies, Humanities, and Social Sciences strategically designed to foster critical thinking, creativity, and adaptability among students. The forward-thinking faculty prioritizes skill development, problem-solving, communication, and collaboration, aiming to prepare graduates for the challenges of the modern world. DAV network covers 900+ campuses spread over 21 states of India, with nearly 2 million students being trained yearly.

Punjab Academy of Sciences

Punjab Academy of Sciences (PAS) came into being at the time of holding of the 83rd session of the Indian Science Congress at Punjabi University, Patiala in 1996. It provides a platform where senior scientists and young researchers in the region meet and interact with each other to share their expertise in different disciplines of Science & Technology. At present this registered body has more than 1600 life members. The academy has conferred its Honorary Fellowship to number of distinguished scientists from India and abroad who have significantly contributed towards bringing the innovations in Science and Technology. The academy is bringing out an annual journal of research namely "Journal of Punjab Academy of Sciences".

About The Conference

✓ EXCHANGE OF IDEAS

To exchange information, ideas, and views with the Punjabi diaspora to encourage promotion of excellence in scientific/ technical education and research.

✓ SKILL DEVELOPMENT

To exchange views & information on self-employment and/or industry-oriented educational models used abroad for the development of vocational education skills. It will help generate self-employment and train them for industry-oriented jobs across India.

✓ STUDENT EXCHANGE & SAP

To explore the possibilities of student exchange and semester abroad program with foreign universities, colleges, and industries which will help to enhance technical education, on job training and skill development.

✓ SOCIAL RESPONSIBILITY

To encourage the Punjabi diaspora, to adopt their own village/ town, promote skill oriented education & training, set merit awards & scholarships for underprivileged students and promote & facilitate community tourism.
